Training Course Structure

If your company registers more than one participant on the same training course the same day, 25 % discount is granted.

¹'Occupational Assessment and Psychometrics' is 2 hours E-learning and can be completed anytime (however, it must be completed at the latest 7 days before training course participation). Test users, who are familiar with psychometrics from previous test certifications, can register on the training courses 'Personality Assessment – Wave', 'Aptitude Assessment' and '360° Evaluation' without previous completion of 'Occupational Assessment and Psychometrics'.

²Delegates who are not previously certified in other assessment tools, also need to participate on 'Wave Follow-up' (1-hour individual session - online) in order to be finally Wave certified.
